

Because everyone needs someone to talk to . . .

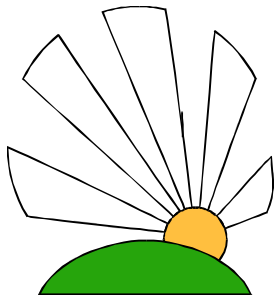

Our Lady of the Wayside School

will be offering the

Rainbows program

for grieving children ages 4 – 14

**who are experiencing Death, Divorce or
other painful transitions in their family.**

This program offers children a safe, confidential place to talk about their feelings on a once-a-month basis with peers experiencing similar losses. **Rainbows**, a Not-For-Profit International Organization, aims to help children feel more comfortable with the changes that have taken place in their personal lives. The group is run by Mrs. Leanes, an OLW 2nd grade teacher, and meetings are held in her classroom after school.

If you are interested in more information and/or having your child participate, please complete the form below and return it in a confidential envelope to Lorraine Schoen, via *Jack* in Room 23 at OLW School. Meetings will begin in January and run through the end of the school year. A permanent schedule will be forthcoming. For direct questions, please contact Lorraine Schoen ó Rainbows OLW Coordinator at 847-749-1968.
