

POINT GOALS FOR READING COUNTS 2009/2010

Grade 4	100 points
Grades 5 - 6	140 points
Grades 7 - 8	160 points

Students, you can see how close you are to reaching your point goal by looking at your RC printout. Point goals need to be reached by Friday, April 23. Any student who reaches their point goal will choose a prize from the Reading Counts Treasure Chest in the library.

Books read with your class (classroom book sets) and books read for the Middle School Book Club will count toward your point goal.

You may not watch a movie based on a book and try taking a quiz without reading the book. Students in Grades 6-8 may not earn points for books that are considered "too easy" by their reading teachers. Mrs. Stein reserves the right to deduct points from a student's record if they violate these rules.
