What is Scrip?

Scrip fundraising is a no-selling program that allows families to raise money for their non-profit organization. Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks, and credit cards. You purchase gift cards from your organization at face value, and your school orders those cards from Great Lakes Scrip Center at a reduced price. The difference is an instant rebate for your organization. It's really that simple! When you use scrip gift cards at your favorite retailers, you're fundraising while you shop. Great Lakes Scrip Center offers over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work!

How can it work for me?

You can donate 100% of the rebates to OLW or you can opt to donate 50% to the school and 50% back to your family to offset tuition costs or other expenses. Every dollar counts. How does this work? Buy a \$100 Macy's card and earn a \$10 rebate which is either donated to the school or split 50% with the school and 50% to your family. Buy a \$200 Marianos card and earn \$8. Think of where you shop all the time and start using Scrip. Many cards (think grocery, coffee, restaurants) can be reloaded from your phone instantly. If you donate the full rebate to the school you will earn NUT passes faster.
