

Summer Reading 2019-20  
6th Grade

Hello everyone, and happy summer! This summer, all incoming 6th graders will be able to choose the book they want to read. My hope is that you chose a book that you truly want to read, as long as it is grade level appropriate. The three requirements are as follows:

1. The book you choose must be fictional
2. The book can not have been made into a movie
3. The book must be at least 200 pages

Please bring the book with you to school on the first day. We will be completing a “character analysis” during the first couple weeks of school. I know that as 5th graders, you have had some practice with analyzing characters. In 6th grade, we will take it a bit further. I ask that while you are reading, you consider:

1. How would you describe the main character (character traits)
2. Why does he/she behave the way they do
3. What connections can you make to the main character
4. Any other information that you feel is important when describing the main character.

My hope is that you truly enjoy reading the book you choose! I can't wait to meet you all in the fall! Have a wonderful summer!
