

## 8th Grade Summer Reading Assignment

*For your summer reading, you may read **any fiction book** you choose as long as it is an appropriate reading level.*

When you return from summer break, you will complete two character analyses, so it is important that you pay close attention to the characters as you read. Additionally, it would be helpful to have a copy of the book on hand at the start of the school year.

In order to prepare for your writing assignment, you may want to take some notes about or at least pay close attention to the following:

- Information about the personalities of the main characters
- Important choices that the characters make
- Strengths and weaknesses of the characters
- Specific examples to illustrate the information above

If you have any questions, feel free to email me over the summer. I will reply to your email as promptly as possible. **Emails that do not copy a parent will NOT receive a reply.**

Happy reading,

Miss Laughland
