Please read the following statement carefully before signing.

Please understand that your money is non-refundable and is due prior to the first band/group lesson. This is a yearly fee paid at the beginning of the school year. Lessons are not provided on a monthly or per lesson basis. Items not included in this band fee are band books, instrument, accessories, i.e. reeds, valve oil, music stands, repairs, and private instruction. No make-up lesson will be provided when school is out of session for a schedule day off or when a student misses a scheduled lesson for reason other than illness. Should your child decide to resign from the band program, a signed note from one parent/guardian will be required to end your payment obligation. Under no circumstance will your child's word suffice. Upon receipt of such notification, your account will be closed with no refund for any money received prior to your child's resigning and you will be obligated to bring your account up to date at this time in the event that your account is past due. Band/lessons will continue for your child up until the last day covered by the final payment received. You will be informed if your child misses more than one band/lesson. Your signature will confirm that you fully understand and acknowledge the statement above. This is done to protect all parties involved from misunderstandings pertaining to the payment agreement.

Thank you,
