

# 2019 Wildcat Prowl RUN/WALK SCHEDULE

Dear OLW Families:

Once again, it's time to put on your spirit wear and show your school pride! The Wildcat Prowl is a school-wide, fun-filled, team-building event- held again in the afternoon! It is sponsored by the OLW Athletic Boosters and is a fundraising event that benefits all school teams, the cheerleading program, athletic facilities, and the physical education program for all students.

About 400 OLW students will walk or run around Pioneer Park wearing blue and white spirit wear. The beloved mascot, Willie the Wildcat, can be found prowling, too! Students will walk or run with their grade and end with games in the OLW parking lot. Early Childhood will have their own special prowling held in the morning! More details to come from your Early Childhood teacher.

Families are encouraged to volunteer and/or participate with their children as we promote fitness and school spirit! **LOOK FOR THE *Signup Genius* THAT WILL BE SENT OUT SHORTLY! WE NEED YOUR HELP!**

The OLW Boosters organization goes well beyond fundraising. They strive to serve the best interests of the OLW school families and to provide an enriching environment and experience to our children who participate in the various athletic programs. The philosophy of the Boosters revolves around good sportsmanship, teamwork, respect, leadership and a healthy competitive spirit.
