

Virtual Presentation

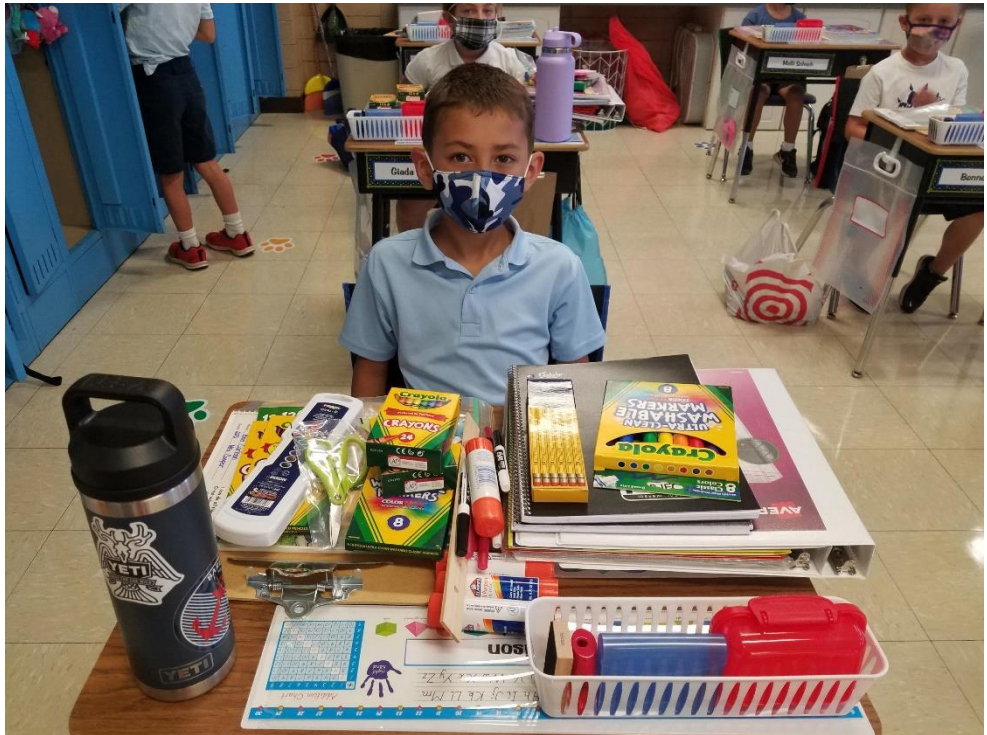

*We are ready for a great,
but different, 2020-2021 school year.*

Welcome Back to School

**Congrats to our
students who are
masters at the new
arrival procedures.**

*And thank you to
the parents who help
every morning.*

2019-20

E-Learning

SURVEY

Changes we will make

While much of the parent survey about e-learning last spring was very positive, we discussed changes that could be made if we need to go to all remote learning for an extended period of time. We have made adjustments based on what we learned last spring, parent and teacher feedback, and new expectations from the Illinois State Board of Education (ISBE).

- More devices to limit sharing
- Limited Platforms
 - Google Classroom
 - See Saw
- More instructional content
 - 5 hours a day
 - Classroom books/materials provided
- 3 remote planning days available
