All Saints Day Tradition

Fifth grade students continued their tradition of choosing and researching a saint for All Saints Day Mass. They dressed as that saint and were part of the procession at the beginning of Mass.

After Mass, the fifth grade Saints visited the younger students to share what they learned about their saint. A few of the saint reports are on our [website](#).

Grandparents Day

The students celebrated Grandparents and Special Persons Day on October 10. The day started with Mass, then special guests were invited to visit these students in the classrooms. There was a lot of love and joy present that morning.

Father Ed Retired from OLW

Father Ed Fialkowski recently has retired from our parish and moved to St. Luke's parish in River Forest. Father Ed came to OLW in 2005 and spent 14 years guiding this parish. We wish him well and will always have him in our prayers.

A new pastor will be assigned in the spring, but until then, Father Bart Winters is the parish administrator. He is already enjoying presiding over the school Masses.

pictures from around school: 2nd graders with their drawing for the quilt they make for the Linus Project; 5th grader helping a PK student; 5th grade saint presentation; 8th grade and 3rd grade Buddy Project; girl's volleyball game; several pictures from the September Wildcat Prowl, which had to move inside because of rain and strong winds - still lots of fun!

Lastly, a video from 50's day in Kindergarten

Happy Veterans Day

We appreciate the service of all the veterans in our school and alumni community. The middle school students are honoring veterans today with a prayer service. 7th graders also write letters to the veterans in our parish community.
