

Our Lady of the Wayside School

Our Lady of the Wayside School is dedicated to enriching our students' minds, fostering a deep and meaningful faith in each child, and expanding their talents.

A \$150 non-refundable registration fee is required for all students at the time of registration. Without the registration fee, the student will not be put on any class list. The registration fee is only refundable if you move out of the school district or do not secure a spot in our school.

Parents registering new students to OLW School will need to bring to registration:

- ✓ a LEGAL birth certificate (not the hospital copy), and
- ✓ a baptismal certificate (even if baptized at OLW) - originals will be returned after copies are made in the office.

All students admitted must comply with State of Illinois dental, vision, health examination and immunization requirements. The State of Illinois requires documentation of the following:

- a physical exam by a licensed physician in Illinois, as well as a record of updated immunizations for all students entering school for the first time (including preschoolers), kindergartners and sixth graders BEFORE the first day of the current school year.
- An oral health examination by a licensed dentist in Illinois for all kindergartners, 2nd graders, and 6th graders due by May 15th of the current school year.
- a complete vision exam by a licensed optometrist or ophthalmologist in Illinois for students entering an Illinois school for the first time (not including preschoolers) and all kindergartners due no later than October 15th of the current school year.
