

Our Lady of the Wayside School

Our Lady of the Wayside School offers a program for registered full day OLW students that require care before and/or after regular school hours. The program will be in operation on full days of school during the school year.

Before School Care: 7:15am – 8:00am
 After School Care: dismissal – 6:00pm

Preschool and kindergarten students are together in one of the preschool classrooms in the elementary building. They may play with some of the toys in the preschool rooms, work on the puzzles, or read the books. They also go outside as often as possible.

First – eighth grade students are together in a room in the elementary building. Students are asked to complete their homework before they play. There are puzzles, books, board games and art supplies available for them. Adults are always available for homework help and younger students are also encouraged to ask the older students for help.

In fact, the extended care moderators often witness sweet moments between the older and younger students. There is a lot of camaraderie among the students in the extended care room.

Registration forms are part of the back-to-school packets; parents may register students at any point in the school year when the need arises. There is a non-refundable \$30.00 registration fee.

Parents may choose to utilize the before and/or after option for the whole week, only on certain days, or as needed. Parents may pick up their children any time before 6pm, but a daily rate will still apply. There are no hourly rates. Billing statements are given at the end of the month.
