

# Tomorrow Begins Today

*Our Lady of the Wayside  
School Endowment Fund*

Our Lady of the Wayside School has provided students with an academically excellent education grounded in Catholic faith formation since 1954. OLV partners with families in its mission of enriching minds, fostering faith and expanding talents for each and every student.

The benefits of receiving a faith-based, academically-rich education extend beyond the hallways of Wayside. OLV alumni consistently excel in high school and beyond and continue the OLV tradition of community service. Today's Wayside student becomes tomorrow's leader in faith, academics and service to others.

## Your Gift Today Builds Tomorrow

A gift to the OLV Endowment Fund is an investment in the future of Catholic education and the Wayside experience. Your generosity preserves all that is cherished about OLV School – faith, learning, growth and friendship – and will help to gift these same opportunities to Wayside students for decades to come.

# About the Endowment Fund

The Our Lady of the Wayside School Endowment Fund (**OLWSEF**) was established in 1999 to build a financial reserve that will sustain the mission of OLS School for future generations. The Fund is structured so that the principal remains intact while the investment income is used and distributed in accordance with the Fund's bylaws. The Endowment Fund Board of Trustees consists of thirteen engaged members of the school and parish. They work together to set goals for the Fund that support the future needs of the school and its students.
