

Come Join the OLW Band!!

Learn to play an instrument this school year!
3rd-8th grade students with no experience

Students in 3rd -8th grade can learn to play an instrument this school year.

Placing a value on music education is a great way to inspire your child to try something new that will give great joy to the student and others in your families, school and community.

Why learn to play an instrument and study music?

- **Intellectual and Cognitive Growth**
- **Creativity and Self Expression**
- **Coordination**
- **Social Skills**
- **Retention**

Fun!

Involvement in a school Band can, build self-esteem, promote team work, develop work/study habits, build an aesthetic awareness, and promote leadership skills.

During the first weeks of school any interested student will have the opportunity to try-out the instruments of their choice. Below are the instruments that are offered in the band program.
