Earn a NUT PASS for each student in your family when you earn \$50 in gift card quarterly rebates donated to OLW. Max 1 NUT pass per quarter and 4 per year.

What is RaiseRight or “Gift Card Program?”

Gift card fundraising, also known as scrip fundraising, has been the #1 fundraiser for nonprofit organizations across the U.S. for more than 25 years. Why? Because it's easy and more convenient than selling goods or recruiting volunteers. Earn simply by buying gift cards to use for everyday purchases, instead of cash or credit cards. This fundraiser is just another way to pay for everyday purchases using gift cards/Ecards in place of cash, checks, and credit cards. You purchase gift cards/E-cards through an easy to use app (RaiseRight) or the RaiseRight.com at face value and the school receives a percentage rebate. When you use gift cards/Ecards at your favorite retailers, you're fundraising while you shop. Over 300 of the country's biggest brands, including grocery, department stores, gas stations, restaurants, hotels, home improvement, and more are available. Just by using scrip to pay for your normal weekly purchases, you can easily raise \$500 or more per year. It's time to put your shopping dollars to work! Historically OLW school earns \$10,000 per year through this program with the potential for thousands of dollars more.

How can it work for me?

You can donate 100% of the rebates to OLW or you can opt to donate 50% to the school and 50% back to your family to offset tuition costs or other expenses. Every dollar counts. How does this work? Add \$200 Marianos/Jewel to your gift card and earn \$8. Either all \$8 can go to the school or keep \$4 for your family. Week after week this adds up. Amazon is another easy one - buy an Ecard and load into your Amazon account for your weekly purchases. Think of where you shop all the time and start using this program. Many cards (think grocery, coffee, restaurants, retail) can be reloaded from your phone instantly. If you donate the full rebate to the school you will earn NUT passes faster.
