

Our Lady of the Wayside School

Full Day Before and After School Care

Our Lady of the Wayside School offers a program for registered OLW students that require care before and/or after regular school hours. The program will be in operation on full days of school during the school year.

Before School Care: 7:15am – 8:00am
 After School Care: dismissal – 6:00pm

Students in after-care will be together in the multi-purpose room on the first floor. Younger students will be able to play with puzzles and blocks, color, and read books. They will sometimes go outside. Older students will work on homework first and then there are puzzles, books, board games and art supplies available for them. Adults are available for homework.

Students will also be given a snack such as chips, granola bars, cookies, but they can certainly bring their own snack and they should have a water bottle.

Students should be picked up in the interior parking lot at Door 4A (in the corner). The door is locked – you will need to ring the bell.

Registration occurs at the beginning of the school year. A form will be included in the School Packet that all families receive in early August. There is a \$30.00 registration fee.

Parents may choose to utilize the before and/or after option for the whole week, only on certain days, or as needed. Parents may pick up their children any time before 6pm, but a daily rate will still apply. There are no hourly rates.
